### ***Funding and Support***

#### ***The Canadian Agricultural Safety Association***

CASA (formerly called the Canadian Coalition for Agricultural Safety and Rural Health) was established in 1993 by a coalition of agencies from across Canada. These agencies joined together to address problems of illness, injury, and accidental death in farmers and ranchers and their families, agricultural workers and other issues related to rural health. For more information, please visit [www.casa-acsa.ca](http://www.casa-acsa.ca)

#### ***Agriculture and Agri-Food Canada***

Agriculture and Agri-Food Canada (AAFC) is pleased to participate in the production of this publication. AAFC is committed to working with our partners in the agricultural industry to increase public awareness of the importance of the agriculture and agri-food industry to Canada. Opinions expressed in this document are those of CAISP and not necessarily the Department's.
